Bryngwran 5 Mile TT £2 entry

This event is aimed at riders new to racing. So if you are new to cycling or always cycled but never been brave enough to sign up to a Time Trial here's your chance! We have kindly been donated prizes from www.evolution-bikes.co.uk and will be giving them out to some new categories! We would in particular like to see some ladies and junior riders. For all you experienced TTers out there do come along and pass the knowledge along!
